

David Macharia

Full-Stack Software Engineer

Nairobi, Kenya | ndichudavid5@gmail.com | (+254) 704 003 710

PROFESSIONAL SUMMARY

Passionate Full-Stack Developer with a strong focus on crafting intuitive, scalable, and dynamic web applications. Expertise in modern JavaScript frameworks (Next.js, React), backend architectures (NestJS, Django), and cloud infrastructure (Firebase, Supabase, Docker). Proven ability to architect complex SaaS platforms and enterprise microservices.

EXPERIENCE

Freelance / Self-Employed

Full-Stack Software Engineer | Nairobi, Kenya | 2023 - Present

- Architected and deployed scalable SaaS platforms (e.g., ShiftsGarden) using Next.js, Firebase, and Tailwind CSS.
- Engineered a comprehensive Point of Sale (POS) and inventory management system (AutoHub) powered by Next.js and Supabase.
- Developed robust microservices architectures utilizing NestJS, Next.js, and Docker within Turborepo monorepos (BriteSpot).
- Optimized client web applications for performance, accessibility, and SEO, achieving 90+ Lighthouse scores.
- Tech Stack:** Next.js, React, Node.js, NestJS, Supabase, Firebase, Docker, Tailwind CSS.

Sadick Technologies

Software Engineering Intern | Nairobi, Kenya | 2022 - 2023

- Collaborated with cross-functional teams to develop internal operational web applications using Django and Bootstrap.
- Assisted in database schema design and management, ensuring data integrity and security across SQL Server environments.
- Participated in agile workflows, daily stand-ups, and code reviews to maintain high code quality standards.
- Resolved frontend bugs and implemented responsive UI components based on Figma design specifications.
- Tech Stack:** Django, Python, SQL Server, Bootstrap, JavaScript.

EDUCATION

Certificate in Web Development | 2024

eMobilis, Nairobi, Kenya

- Intensive training on building responsive, real-world web applications.

BSc. Mathematics & Computer Science | 2018 - 2023

Kenya Methodist University, Nairobi, Kenya

- Specialization in Computer Networks and Statistics. Focused on data analytics, web development, and artificial intelligence.
